## Prefer™ Customers' Testimonials:

*"The use of Prefer pillowcases has given us a leap towards providing high hygiene standards in our hospitals and to our patients"*

*"With the rising cost of medical care, this is indeed a positive step towards reducing cost"*

... Tan Tock Seng Hospital

*"Being the leading and largest women's and children's hospital in Singapore, the well beings of our patients are our top priority. Prefer hygienic pillowcase has proved to be a safe and comfortable product to use. Both the hospital and our patients are benefiting from the use of this product and we are very glad to have started using them"*

.... KK Women & Children's Hospital

*"Using Prefer disposable pillowcase has substantially saved the hospital in cost"*

*"Beside cost savings, patients welcome the change to Prefer pillowcase. Prefer pillowcase is cleaner than cotton pillowcase, and is comfortable"*

... The Straits Times, Singapore's National Newspaper
